Year	Findings & Framework Results
2021–22	Meets Standard
2022–23	Meets Standard
2023–24	Meets Standard
2024–25	Out of Compliance / Notice of Concern

Dual Credit Courses for 2026-2027

Equipo Academy traditionally offered Advanced Placement (AP) classes as an avenue for students to receive college credit during high school; students must take and pass an AP exam to receive credit. Several years ago, Equipo started offering dual credit courses in partnership with College of Southern Nevada (CSN) and University of Nevada Las Vegas (UNLV). This year, we plan to offer the following courses:

- Composition 101 and 102 from UNLV, for seniors who meet a threshold with an English score on their ACT
- US History 101 and 102 from UNLV, for juniors who opt into this course rather than AP US History
- ALS 101 - College Success from CSN, for seniors as part of their Senior Seminar course
